ABOUT ME

As a highly skilled and experienced Graphic Designer and frontend developer, I have a proven track record of creating visually stunning designs and developing intuitive, user-friendly websites. With a strong foundation in HTML, CSS, SCSS, JavaScript, ReactJs, and NextJs, I am able to bring designs to life with interactive and responsive elements. I am also an accomplished UI/UX designer, and have a deep understanding of user experience design principles and methodologies. Additionally, I have a passion for teaching and have a lot of experience tutoring others, both in a formal and
