Prototyping: Framer X, Wireframe.cc, Proto.io, Balsamiq, Axure, Adobe After Effect

PROFESSIONAL EXPERIENCE:

JustPerfect Design Agency – UI Designer

Duration: 2019 – Present

- Successfully led multiple design projects, creating visually striking and user-friendly interfaces.
- Actively contributed to JustPerfect's mission of educating individuals in UI design using Figma.
- Collaborated with a local government in Lagos Nigeria to execute UI design projects, supporting community development initiatives.

Africa Strategy Advisers – UI Designer

Duration: 2020 – 2023

- Designed intuitive UI interfaces for 3 fintech web and mobile apps, directly leading to a 38% increase in revenue for client companies.
- Overhauled and enhanced the UI for Bet9ja's GrantIQ web app, streamlining the onboarding process for agents and companies, ultimately optimizing efficiency.
- Crafted engaging UI designs for crypto apps and bots, which resulted in a substantial revenue boost in their first year.

My Block Properties & Investment – Frontend Developer | UI Designer

Duration: 2016 – 2019

- Successfully revamped and managed the company website, contributing to a remarkable 46% revenue increase within three years.
- Elevated user experience and flow, significantly enhancing the company's online presence and user engagement.

ACHIEVEMENTS AND IMPACT:

- Spearheaded transformative UI design projects that directly contributed to revenue growth for client companies.
- Pioneered the redesign of Bet9ja's GrantIQ web app, effectively improving onboarding processes and increasing overall efficiency.
- Actively mentored and educated a community in UI design using Figma, facilitating their professional growth and development.
- Designed crypto apps and bots that generated substantial revenue within their first year of launch.
